

Dear Parents

In present day environment all round development of a student is the most essential prerequisite. Towards this, our school has visualised to give students additional exposure in academic, curricular, extracurricular & sports activities which will not only help the students in developing soft skills but make them effective members of society. With present work culture of parents it is seen that they are struggling to keep their wards gainfully occupied after they are back from school. It is also a challenge for parents to keep them away from social media which is so prevalent and difficult to monitor by most.

Looking at this, we at MGD have decided to extend Day Boarding facilities to current **Class VI** batch on the basis of **Incentive Initiative** wef July 2019 onwards. However the option is open to others also as hitherto fore.

The concept of Day Boarding today is in vogue around the globe. Our school was pioneer in this field, when Late HH Rajmata Gayatri Devi Ji started this school in 1943, as a Day Boarding School.

We request the parents to contact the school office, if they wish to enrol their ward for the same by **15th June 2019**.

Sincerely
