

M.G.D. GIRLS' SCHOOL, JAIPUR
WORK SCHEDULE FOR APRIL AND MAY 2020-2021
CLASS : I

Dear Parents,

We hope you are doing well and your families are staying safe. Presently millions of children all over the globe are learning from home. To ensure your daughters are using this lockdown period productively we had uploaded home study resource material previously.

Parents are all teachers now.

Children need structure. Schedules achieve this. Your little learners may resist at first, but they will thrive with your guidance and support. Where possible make following a schedule fun. Apart from studies give a little time to your kids to play, relax and entertain themselves in the gadget led age. Some useful links were mentioned in the home study, we hope the children enjoyed their usage.

We suggest some more links below:

Educational games of all learning levels- <http://www.abcya.com/>

All sort of story videos to inspire a nice long love of reading- <http://www.storylineonline.net/>

Exercise some art, drama, dance and music in their time slots.

REINFORCE CONCEPTS TAUGHT LAST WEEK IN ALL THE SUBJECTS, THAT WILL IMPROVE YOUR CHILD'S CONCENTRATION AND CONFIDENCE. YOUR GOAL WILL BE ACCOMPLISHED.

We will upload practice worksheets on the home study page on the 20th April, 2020. Till then follow the first R : Role and Responsibility.

Stay home! Stay safe!

Team Class I
