

HOME STUDY -2020-21

Dear Students

Hope you all are safe, healthy and happy.

1. **Congratulations** to all for moving into the next grade (due to technical reasons we were not able to upload the results).Students appearing for retest/not promoted can also start working on the next class assignment.
2. Students of class 5A will move to 6A, 5B to 6B and so on
6A to 7A, 6B to 7B and so on
7A to 8A, 7B to 8B and so on
9A to 10A, 9B to 10B and so on
11A to 12 A and so on for other sections.

For **class 8 moving to class 9, and class 10 moving to class 11**, their previous class teachers will be informing them about their sections. However, that doesn't stop them from doing the Home study assignments/worksheets.

3. It is time now to commence the **New Session 2020-21** which will be online for sometime. We are in the process of uploading the **Home study content, assignments and worksheets**. An SMS will be sent once all the uploading is complete.
4. Everyone should download the **Extramarks Learning App** (the digital content that you watch in the class rooms) (its free till 30th April)
 - a).Steps to access Extramarks Learning content on online portal-
Open the link www.extramarks.com > sign up, enter required details and create your account>click on settings>click on redeem voucher>enter the code GTS-RJ0142 > verify board(CBSE) and class > submit.
 - b).Steps to download the app:
Download the Learning App from Playstore> login> open the menu option> click on redeem voucher> enter the code **GTS-RJ0142** > verify board(CBSE)and class <submit – click on apply.

5. Some other resources

- ❖ DIKSHA app of CBSE can also be downloaded-
Go to website diksha.gov.in/cbse/explore **Or** open DIKSHA app on android phone - select CBSE board- Browse: Subject wise topic wise.
- ❖ NCERT e-Pathshala is also available on UMANG app which includes **e-textbooks for class 1 to class 12**
- ❖ <https://www.khanacademy.org> especially good for Math and computing for all ages
- ❖ **BYJU'S-The Learning App**- very helpful !(free)

6. Home Study Content /Assignments /worksheets

a).The Home Study content will be **uploaded shortly** on the school website class wise. It (**study material**) can be accessed through the link-
<http://www.mgdschooljaipur.com/home/downloads/registration>

b).Each Assignment /worksheet mentions the **submission deadline** , so the assignments have to be completed and sent (VI -XII) by then. The next set of assignments will be uploaded thereafter.

b). Each assignment also mentions an **email id**

c). **Classes I to V** – They will do the work in a **note book** – new or any old note book or on loose sheets. The assignments can either be downloaded or written by hand. These will be checked by the teachers later.

c). **Classes VI to XII – e-assignment** - Students have to send the completed work on the e mail id mentioned in the worksheet and the teacher will check and give feedback online (*unless in specific subjects like Hindi or Math or in senior classes some other instruction has been given*). Any queries can also be addressed to that mail id. Don't forget to mention your full name, class, section when you send your assignments.

7. Class XI- The assignments /study material is uploaded on the website and you can choose as per your choice of subjects /stream.
8. **For classes X and XII**, apart from the assignments , we will be starting virtual Classrooms by next week, the details of which we will be sharing soon once the logistics are worked out.(Math classes have already begun).
9. ***Remember, there might be some teething problems as we are doing it for the first time but the teachers will be there to support you.***

All the Best
Principal
