This is a reminder and a confirmation of our school's policy regarding the mandatory Day-Boarding curriculum in respect to which the school has been updating all the parents from time to time including during the admission procedure of their respective wards.

All parents are once again duly informed in advance that the Day Boarding curriculum will continue in the new academic session for classes as under:-

- b. Current Class V promoted to Class VI

It is further clarified that the Day Boarding curriculum is mandatory for all students of the aforementioned classes.

It is again being informed to all parents of class I to IV that your ward will become a Day Boarder from class VI onwards.

The school is committed to providing its students with an opportunity of overall development through the Day Boarding curriculum that has been envisioned for them. Parents are required to assist in this transition by preparing their respective wards to stay on the campus as per the school timings i.e., 0800 AM to 0430 PM (Subject to changes as per the summer /winter timings). The Day Boarding curriculum being extended to the students will entail extra fee besides the regular tuition fee being charged in routine. The same will be intimated by quarter ending December 2023.
