Dear MGDian

Greetings from Maharani Gayatri Devi Girls' School!

The dream of a young Maharani has come a long way since 1943. Today Maharani Gayatri Devi (MGD) Girls' School is gracefully poised to celebrate 80th year of its existence – भव्याशीतिः. We are committed in ensuring that MGD continues to have a meaningful impact well beyond the school campus in shaping up our girls for the world of tomorrow.

Thus, in keeping with the futuristic global trends and our school's aspirations, we have initiated a **"Master Plan- 2023-43 "Marching to the Centenary Year 2043,"** to create a road map for future challenges. We wish to build our school as a place of eminence and excellence and maintain its ability to bring the best and brightest to campus as both faculty and students.

An important part of the roadmap is providing & transforming physical spaces for important state-of-the-art facilities within an inspiring and historic setting, funding new and renovated facilities for teaching that encourage innovative educational experiences.

How can you make a difference!
