Dear Parents,

This is to intimate you that the day boarding fee has been worked out based ten (10) months keeping the holidays in to consideration. Hence the amount was divided in to four quarter initially based on the pattern in which routine fee is being deposited.

However, due to the various constraint the day boarding which was scheduled to commence with effect from the month of Apr 23 started with the effect from 04 July 2023. Hence, the schedule of payment was changed to three (3) quarters without changing the initial amount. Inconvenience and error caused is regretted.

The excess amount for the month of April Rs 6500/- (SIX THOUSAND AND FIVE HUNDRED) paid by the parents will be readjusted in the third quarter fees due in the first week of Oct 2023.

This is for your information please.
